

SRMS Information Letter

Dear Parent/Guardian,

Our annual Lagoon Day will be on **Wednesday, May 29th**. This activity is for **SRMS 9th graders only**.

How much does it cost? The cost is **\$54** (tax included). Students will not be able to purchase tickets for the \$54 student discount at Lagoon ticket windows. They **must purchase their tickets in advance online**, (<https://www.lagoonpark.com/buy-tickets/>) with the promo code **(JORDAN2024)**. **This code is only good for May 29th**. If your student is a season pass holder, they may use their pass on this day.

Who can ride the bus? Only SRMS 9th graders. Please note that unpaid fines/fees may jeopardize your ability to ride the bus.

What may students bring?

- Lunch, or money for lunch
- Sunscreen, hat, water bottle, spending money, sunglasses, etc.

What should students wear? All students attending this activity must follow Jordan School District dress code. There are many water-related rides at Lagoon, so please dress appropriately.

Note: The park will be open to the public on that day as well. X-Venture Zone Attractions (Skycoaster, Double Thunder Raceway, and Catapult) are not included in the admission price. The entire park, including Pioneer Village, Lagoon-A-Beach, and Kiddie Land are scheduled to be open. **Lagoon closes at 9:00 pm that day, but our buses leave at 5:00 pm.**

Transportation

Each SRMS 9th grade student taking the bus to Lagoon must return the parent permission slip below. Requirements:

1. Make sure all school fines are paid. Students with outstanding fines may jeopardize their ability to ride the bus to Lagoon.
2. Permission slips will be **collected during TA** Monday, May 13th through Tuesday, May 21st.

Buses will depart from SRMS at 9:00 am. Buses will depart from Lagoon at 5:00 pm and return to SRMS at about 6:00 pm. Students who choose to **remain at Lagoon after 5:00 pm will need to arrange their own transportation**. The school assumes no liability for students who choose not to board the bus on time. Students who need a ride home from school should make arrangements beforehand, as the school will be locked by the time the buses return to SRMS.

Thank you,
SRMS Administration
